Vision

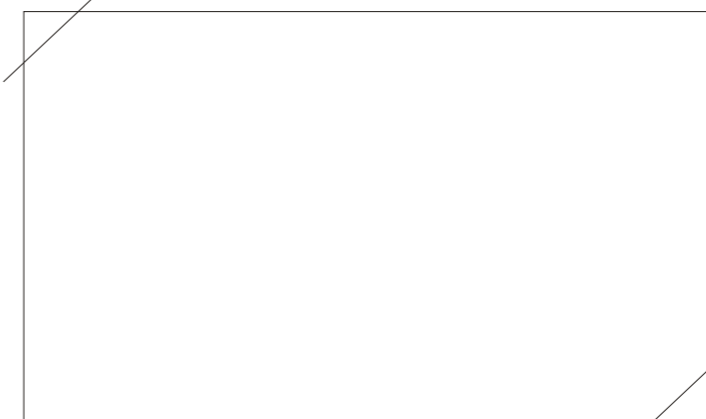

*To facilitate client
excellence through
distribution of bulk
pharmaceutical products
at competitive prices*

Corporate Profile

Nikom Pharma Marketing Pvt. Ltd, a part of Nikom Group of Companies was launched in 2003 by a team of experts in the pharmaceutical industry as a bulk drug marketing company. Within a short span, the company has increased its product portfolio across various drug categories and has endeavored to strategically create a cohesive network of premier manufacturers, importers, exporters and users of bulk drugs (pharmaceutical APIs and intermediaries) to facilitate distribution at competitive prices. Through its reliable products and servicing, it has been able to develop a strong equity amongst its principals and clients.

Nikom Pharma is led by Jayant Mirani the Managing Director of the company who has vast experience in pharmaceutical manufacturing and marketing and was associated with some of the largest pharmaceutical companies in India. With the expertise of Mr. Jayant the company is structured to various vertical to provide end to end marketing solutions to its clients and principals.

The company is striving to be a global leader in marketing of pharmaceutical APIs and intermediaries.
